

## God's Hands

**My dear friends,**

Sometimes things just go so very, very, well for us.

The weekend before I wrote this was a good example. It started on the Friday evening when we attended a wonderful Christian Gospel Concert. The principal singer was an American lady called Alison Durham Speer what a blessing that was.

On the Saturday morning we attended the U.F. Youth prayer meeting - again a wonderful blessing for us.

Then on the Sunday a special blessing as we attended worship here in Craigmalen with our own folk. I do forgive the children for pelting me with dozens of pairs of socks but that's another story.

Sometimes things go so very badly.

Over the next few days I felt a bit seedy. My car was recalled with a fault in the steering. And worse than anything else my friend was diagnosed with a serious illness.

Sometimes we are up in the mountains, and then we are down in the valley. Sometimes life is great, then something terrible confronts us.

Wherever we are, we have a God who journeys with us.

We have a God who loves us, and cares for us.

We have a God who holds us in His hands.

The Lord Jesus said:-

**"Be sure of this: I am with you always, even to the end of the age"**

Matthew 28:20

**Yours in His hands.**
